

Colorado Tree & Firewood Company LLC
2018/2019 Firewood Pricing Sheet Denver Metro/Front-range/Foothills

Delivery Areas Include: Arvada, Aurora, Boulder, Brighton, Broomfield, Centennial, Denver, Englewood, Erie, Firestone, Golden, Greenwood Village, Lafayette, Lakewood, Longmont, Louisville, Northglenn, Thornton, Wheat Ridge, Westminster, and Surrounding Areas.

Our Firewood is split, seasoned, delivered on pallets, and ready to burn in your fireplace. All our wood is palletized- If you want the wood kept on the pallets at your location there is a small fee for the pallet.

****Prices below includes all delivery areas within 10 miles (5 miles each way) roundtrip from the I25 corridor starting south of The Platteville Exit to North of US 36 (Boulder Turnpike). If your location is beyond the 10 miles roundtrip and/or your location is south of US 36 and I25 we can still deliver to you but additional mileage costs will apply. Contact us for pricing.**

We offer value discounts for pick up orders at our lot in Fort Collins, and are happy to match any pricing for a comparable product from a reputable company if able. Pick up orders may be loaded on pallets into a vehicle or trailer for a small pallet fee. We can fit a cord into a full size 8 foot pickup when we load two pallets onto the pickup. If you elect to hand load a 1/2 cord will stack into an 8 foot pickup bed.

Firewood Pricing

Rocky Mountain Juniper: Very aromatic and rivals hardwoods for heat output. It carries an impressive BTU of 23.0, is easy to ignite, and has similar burn characteristics as cedar but burns hotter than pinon.

\$565 per cord includes delivery
\$340 per half cord
\$245 per quarter cord
\$6.00 per cubic foot

White Post – Live Oak: A hardwood with a heat output of 26 to 29 Btu's. Great for home heating, and cooking. **Due to supply only half cord quantities and below are available but we can mix with other varieties at full cord pricing.**

\$720 per cord
\$400 per half cord
\$285 per quarter cord
\$9.00 per cubic foot picked up

Osage Orange (Hedge): One of the hottest burning hardwoods available and the Best Bang for the Buck! Does have some sparking. Produces a tremendous amount of heat output, we recommend burning this wood with a softwood for ease of starting. Use in an Enclosed Fireplace or Stove and not in an insert. This will allow you to enjoy all the great heating benefits without the fire becoming too intense. Btu 32!

\$630 per cord includes delivery
\$340 per half cord
\$240 per quarter cord
\$9.00 per cubic foot

Ugly Oak: Texas Live Oak that puts off some high heat of 28+ Btu's. Well-seasoned with some occasional rot spots on pieces, with lengths 15 to 24 inches with regular diameter and some larger diameter splits up to 10 inches wide. As the name says, not the prettiest looking wood but a great value for the heat output. Works well in larger stoves or fireplaces. ***Currently out of Stock***

\$630 per cord includes delivery
\$340 per half includes delivery
\$240 per quarter cord delivered

Pinon-(Pinyon, Pinion): Known for its aromatic smell and great burn characteristics. Carries a BTU of 22.7, with very little if any popping. Rivals hardwoods in heat output, and pinon smoke even repels mosquitoes! It's one of our personal favorites for home fireplaces or outdoor fire-pits!

Due to supply only half cord quantities and below are available but we can mix with other varieties at full cord pricing.

\$630 per cord includes delivery
\$360 per half cord
\$240 per quarter cord
\$7.00 per cubic foot

Punky Pinon: Very well seasoned. Same Pinon as above but with some occasional rot spots and lightness to some pieces with lengths 15 to 20 inches. As the name says, it's good wood but just a bit over-seasoned due to age so it will ignite and start very easily and is a good value for the heat output. Carries a BTU of 23.0 with very little if any popping. It Rivals hardwoods in heat output and pinon smoke even repels mosquitoes! It's a favorite for home fireplaces or outdoor fire pits!

\$590 per cord delivered
\$320 per half delivered
\$200 per quarter cord delivered
\$5.00 per cubic foot

Softwood Hardwood Mix: Local Colorado hardwood/softwood mixes Ash, Elm, Hackberry, Spruce, Aspen, Pine, Box Elder, Russian Olive, Maple, and could be some Cottonwood or Willow. Approximately a 65/35 mix of Hardwood and Softwood. The softwoods get the fire started and the hardwoods keep it burning. Lengths are 15 to 20 inches long with bigger splits up to 9 inches in diameter. *** We apologize as we are no longer able to provide full return customer or multi-cord discounts with Softwood Hardwood Mix***

\$390 per cord includes delivery
\$275 per half cord includes delivery
\$180 per quarter cord delivered

\$4.00 per cubic foot picked up

City Mix: Local hardwood mix of Locust, Fruitwoods, Elm, Ash, Russian olive, Willow and Aspen firewood with some sparks or popping. Seasoned a year plus. Average Btu range 21 or higher. Lengths between 5 to 24 inches. *** We apologize as we are no longer able to provide full return customer or multi-cord discounts with City Mix firewood orders. *Currently backlogged two to four weeks.***

\$400 per cord includes delivery
\$285 per half cord includes delivery
\$190 per quarter cord includes delivery

Pine: A native Colorado wood with a lower Btu than the above woods so it burns faster but at a lower cost. Btu 16. ***Due to Supply only half cord quantities and below are available and are backlogged two to four weeks out.* * We apologize as we are no longer able to provide full return customer or multi-cord discounts with Pine firewood orders.**

\$370 per cord includes delivery
\$220 per half cord
\$170 per quarter cord
\$3.00 per cubic foot picked up

Hardwood Elm: Seasoned hardwood with no sparks or popping. Can be harder to ignite so may be best to mix with softwoods. 21 Btu. Lengths are mainly 14 to 20 inches long with 15-20% of it 5 to 14 inches long. Burns well when properly seasoned.

*** We apologize as we are no longer able to provide full return customer or multi-cord discounts with Elm firewood orders.***

Currently backlogged two to four weeks.

\$410 per cord includes delivery
\$270 per half cord
\$210 per quarter cord
\$5.00 per cubic foot

Red Cedar: Very aromatic, it carries a heat output of 19 Btu. Is easy to ignite and burns clean with some popping and crackling. ***Out of Stock***

\$570 per cord includes delivery
\$355 per half cord
\$275 per quarter cord
\$7.00 per cubic foot

Stacking

\$40 per half cord within twelve feet distance of dropped off pallet.

\$80 per cord within twelve feet distance of dropped off pallet.

We will always try and place the pallet off of our trailer to as close to your stacking location as possible to reduce stacking costs for our customers.

Pallet Placement

Our machinery requires 9 feet in width and 9 feet in height and smooth, even terrain to access any area where the pallet is to be placed. Delivery includes placement of the pallet on a driveway or flat surface within 25 feet of the delivery truck.

If the requested drop point is beyond these specs then additional costs will be applied or we may just be unable to drop the pallet at the requested spot due to rough terrain or inadequate clearances. Please notify us ahead of time if there are special directions to a drop point that falls outside these parameters.

Pallet Deposits

Our firewood varieties come in two ways: on wooden pallets that you pay for, are left at your location and the pallets are yours to keep; or on specialized metal pallets that require a fully refundable down deposit and that we need back.

Wooden Pallets

If you want the wood kept on the wooden pallets and the pallets left at your location there is a \$15.00 additional cost per pallet and the pallet is yours to keep.

Metal Pallets

If this is the case we will notify you before the delivery. Pay for the deposit at the time of delivery and we will refund the \$40 deposit amount once we pick the pallet up the following year or it is returned to our location. Pallets must be in good condition and not deconstructed to get deposit back.

Don't want to mess with the deposit or pallet? Not a problem - We can simply dump the pallet as close to your stacking location as possible and take the pallet back with us.

Our Guarantee

We guarantee all of our firewood. We strive for complete customer satisfaction with a process that is hassle free. If you ever have any questions or concerns please call or email us and we will be happy to help in any way.

Colorado Tree & Firewood Company LLC would like to service your smoking, campfire, and home heating needs, by providing our customers an energy efficient heat source with no hassle delivery.
